**Man of Steel** Superman flies back onto the big screen in this Warner Bros. /Legendary Pictures production directed by Zack Snyder, produced by Christopher Nolan, and featuring a screenplay by David Goyer. As the planet of Krypton crumbles, General Zod (Michael Shannon) stages a coup as concerned leader Jor-El (Russell Crowe) and his wife send their infant son Kal-El to a distant world called Earth. While the young child travels through space with an object containing the DNA of his home planet, General Zod and his cohorts are sentenced to an eternity in a black-hole prison. Named Clark and raised by kindly farmers Jonathan (Kevin Costner) and Martha Kent (Diane Lane), young Kal-El lives in fear of what might happen should his neighbors learn about his extraterrestrial origins, eventually exploring the world in search of himself. In time, Clark's travels take him to a frozen tundra, where the American government has discovered an 18,000-year-old anomaly buried deep in the ice. Daily Planet reporter Lois Lane (Amy Adams) has just come to investigate when, after venturing out with her camera, she has a profound encounter with Clark. Convinced that his presence on Earth is proof of life on other planets, Lois finds her attempt to publish the story thwarted by her boss Perry White, who rejects it outright. Later, the airwaves are hijacked by General Zod, who threatens to obliterate the human race if they fail to hand over Kal-El within 24 hours. Forced to embrace his otherworldly origins for the first time in his life, Clark Kent dons the special suit from Krypton and prepares to take a stand against an enemy far more powerful than any he's ever known. **Curse of Chucky** The silver screen's most menacing killer doll returns to settle an old grudge in this installment of the long-running Child's Play saga written and directed by series creator Don Mancini. In the wake of her mother's recent suicide, grieving Nica is searching for answers when her older sister Barb shows up to get the family's affairs in order. As tensions between Nica and Barb spike, the unexpected appearance of a Good Guy doll named Chucky offers some much-needed comfort to Barb's young daughter. Later, a series of vicious murders plague the family, prompting Nica from a connection between the bloodshed and the smiling, red-headed doll. Nica is right to be scared, too, because Chucky has been plotting his revenge for the past two decades, and now anyone who tries to stop him will learn that sometimes nightmares come true. Universal

**DaVinci's Demons Season One** In a world where thought and faith are controlled, one man fights to set knowledge free. The secret history of Leonardo da Vinci's tantalising life reveals a portrait of a young man tortured by a gift of superhuman genius. He is a heretic and sceptic intent on exposing the lies of religion. An insurgent seeking to subvert an elitist society. A bastard son who yearns for legitimacy with his father. He finds himself in the midst of a storm that has been brewing for centuries. A conflict between truth and lies, religion and science, past and future. His aspirations to improve his position in life bring him into contact with the two opposing forces of the time-the Vatican and the Medici family who both try and lure him onto their side. Leonardo must take up the fight against foes who use history to suppress the truth. A hero armed only with his genius, da Vinci stands alone against the darkness within, and the darkness without. Facing an uncertain future, his quest for knowledge nearly becomes his undoing as he explores the fringes of his own sanity. Da Vinci uses his unparalleled genius as a weapon against his enemies and emerges as an unstoppable force that lifts an entire era out of darkness and propels it into light. His story becomes a mirror into our own world, calling us all to join his fight to Free the Future. Anchor Bay
