Extant - Season One A sci-fi thriller that hinges on the meaning of family and the essence of humanity. When astronaut Molly Woods (Academy Award winner Halle Berry) returned from a 13-month solo mission aboard a space station, she did not come back alone. Against all odds and explanation, she is pregnant. Her doctor Sam Barton is baffled. While Molly acclimates to life back on earth, she struggles to make sense of the events surrounding her miraculous, mystery pregnancy and tries to balance life with her ambitious husband and increasingly enigmatic son. After her husband John (Goran Visnjic) and she were unable to conceive, he used his skills as a robotics engineer to create their "son," Ethan is a "humanich" - a humanoid robot who serves as the prototype for John's career-defining project. Science and emotions collide as Molly tries to keep her family and life together. As details of her space journey emerge, it becomes clear that one daring mission is poised to change human history. Full of Grace Ten years after Christ's resurrection, Full of Grace sheds light on a critical moment in the history of Christianity. Fraught with heresies and conflict, the early followers of Christ seek to live in a way that respects Jewish law, but with the boldness they experienced when they met Jesus of Nazareth. Mary, the mother of Jesus, quietly awaits the return of Peter, the "rock" whom Jesus asked to lead the Christian people. Arriving at Mary's home after years of traveling, preaching and narrowly escaping death, Peter expresses the overwhelming responsibility of the task set before him and his own helplessness. As Mary recalls the incredible mystery of her life with Christ, Peter re-discovers the truth: he is not leading, he is following. Cinedigm

A Brave Heart: The Lizzie Velasquez Story Is a documentary following the inspiring journey of 26-year-old, 58 pound Lizzie from cyber-bullying victim to anti-bullying activist. Born with a rare syndrome that prevents her from gaining weight, Elizabeth "Lizzie" Velasquez was first bullied as a child in school for looking different and, later online, as a teenager when she discovered a YouTube video labeling her "The World's Ugliest Woman." The film chronicles unheard stories and details of Lizzie's physical and emotional journey up to her multi-million viewed TEDx talk, and follows her pursuit from a motivational speaker to Capitol Hill as she lobbies for the first federal anti-bullying bill.

Experimenter Stanley Milgram (Peter Sarsgaard) designs a psychology experiment that remains relevant to this day, in which people think they're delivering painful electric shocks to an affable stranger (Jim Gaffigan) strapped into a chair in another room. Disregarding his please for mercy, the majority of subjects do not stop the experiment, administering what they think are near-fatal electric shocks, simply because they've been told to. Milgram's exploration of authority and conformity strikes a nerve in popular culture and the scientific community. His wife Sasha (Winona Ryder) anchors him through it all. Magnolia

Stonewall Passions and politics make a volatile mix in this dynamic drama directed by Roland Emmerich (Independence Day) that follows the groundbreaking events that led to the birth of the modern Gay Rights movement in 1969 at New York City's Stonewall Inn. Lionsgate

Love Finds You In Charm Young Emma Miller (Danielle Chuchran) would appear to be the luckiest girl in Indiana: An Amish beauty with a loving family and a marriage offer from the community's most eligible young man, Emma's future seems right on track. Yet she yearns for adventure and romance and when given the opportunity to spend the season helping her widowed cousin's market business in scenic Charm, Ohio, she jumps at the chance to see what else the world has to offer. As she settles into life on her cousin's farm, she befriends local librarian, Kelly Bennett (Tiffany Dupont) and gets to know Noah (Trevor Donovan) - a striking, well-read, young Amish man who helps work the farm. When Emma's popular homemade goat cheese attracts the attention of a local bed-and-breakfast and a handsome wine-and-cheese blog editor, Andy (Drew Fuller), she finds herself pulled between two worlds and two men. Emma must decide whether to stay amongst the Amish, or leave behind everyone and everything she's ever known to venture out into the world.
