The Godfather Trilogy Corleone Legacy Edition The Godfather Trilogy is the benchmark for all cinematic storytelling. Francis Ford Coppola's masterful adaptation of Mario Puzo's novel chronicles the rise and fall of the Corleone family in this celebrated epic. Collectively nominated for a staggering twenty-eight Academy Awards, the films are the winner of nine, including two for Best Picture for *The Godfather* and *The Godfather: Part II*. Francis Ford Coppola's *The Godfather*, *The Godfather Part II* and *The Godfather Part III* are restored and remastered. Bonuses: commentaries, photo galleries, featurettes, additional scenes, profiles, storyboards, short films. **Godfather:** Marlon Brando in his Oscar-winning role as the patriarch of the Corleone family. Director Coppola paints a chilling portrait of the Sicilian clan's rise and near fall from power in America, masterfully balancing the story between the Corleone's family life and the ugly crime business in which they are engaged. Based on Mario Puzo's best-selling novel and featuring career-making performances by Al Pacino, James Caan and Robert Duvall, this searing and brilliant film garnered ten Academy Award nominations, and won three including Best Picture of 1972. **Godfather II** This brilliant companion piece to the original *The Godfather* continues the saga of two generations of successive power within the Corleone family. Director Francis Ford Coppola tells two stories in Part II: the roots and rise of a young Don Vito, played with uncanny ability by Robert De Niro, and the ascension of Michael (Al Pacino) as the new Don. Reassembling many of the talents who helped make *The Godfather*, Coppola has produced a movie of staggering magnitude and vision, and undeniably the best sequel ever made. Robert De Niro won an Oscar; the film received six Academy Awards, including Best Picture of 1974. **Godfather III** One of the greatest sagas in movie history continues. In this third film in the epic Corleone trilogy, Al Pacino reprises the role of powerful family leader Michael Corleone. Now in his 60's, Michael is dominated by two passions: freeing his family from crime and finding a suitable successor. That successor could be fiery Vincent (Andy Garcia)...but he may also be the spark that turns Michael's hope of business legitimacy into an inferno of mob violence. Francis Ford Coppola directs Pacino, Garcia, Diane Keaton, Talia Shire, Eli Wallach, Sofia Coppola, Joe Mantegna and others in this exciting, long-awaited film that masterfully explores the themes of power, tradition, revenge and love. Seven Academy Award nominations for 1990 were the result, including Best Picture. Paramount
